

POWERGUARD™ D4

All Season Performance

chemistry matters

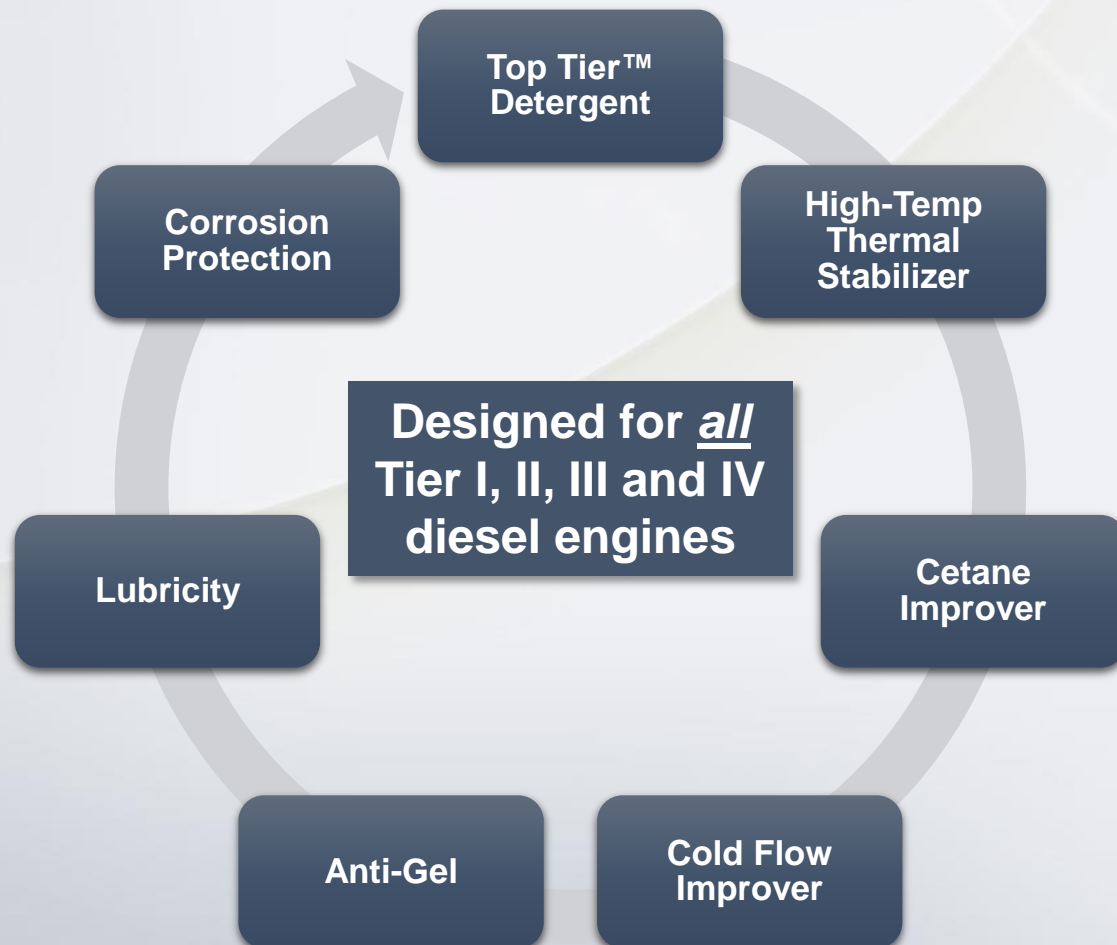

POWERGUARD™ D4 – ALL SEASON PERFORMANCE

Delivers year-round superior diesel fuel performance – one product for ALL SEASONS

- Cleans the entire fuel injection system
- Significantly reduces maintenance costs
- Improves engine power performance
- Improves winter performance
- Lowers CFPP & Pour Point, prevents fuel gelling
- Lowers emissions (CO₂, Particulates, NOx)
- Reduces fuel consumption
- Reduces DPF regeneration frequency
- Reduces EGR coking and fouling
- Improves lubricity
- Provides corrosion protection
- Increases cetane number - improves engine cold starts

POWERGUARD™ D4 – ALL SEASON PERFORMANCE

Delivers 7 powerful performance features – no added solvent

Light Duty

Medium Duty

Heavy Duty

POWERGUARD™ D4 – ALL SEASON PERFORMANCE

Spring, Summer, Fall

1:2000 [500 ppm v/v]

- Detergent keep clean and gradual clean-up performance
- Cetane Boost
- Lubricity improvement

Winter

1:1500 [667 ppm v/v]

- Winter operability & anti-gel.
- Detergent keep clean and gradual clean-up performance
- High cetane boost 2-3 numbers
- Lubricity improvement

Superior

1:1000 [1000 ppm v/v]

- 1-3 tank fills clean-up performance
- Excellent winter operability & anti-gel
- The 'problem solver'
 - Deposits/coking from High idle/high load applications
 - High EGR coking/carbon deposits
 - High frequency of DPF regeneration
- Major Cetane Boost 3-5 numbers
- Lubricity improvement

POWERGUARD™ D4
